

RETURN TO SCHOOL LIST

When we return to in-person instruction we will continue to see all students throughout the school day. We will be implementing interactive notebooks for each subject and a binder for Science. Please follow the supply list below so that your child can be organized and successful during their fifth-grade year. We have set up an organization system that best supports your child in the school year. Notebooks and folders will be covered with labels so please stick to plain colors for the subject folders and notebooks. We will be organizing student supplies when we return to school.

Reading:

- 1 composition notebook
- 1 RED 2-pocket folder

Social Studies:

- 1 spiral notebook

Writing:

- 1 spiral notebook
- 1 BLUE 2-pocket folder

Science:

- 1½-inch binder
- pack of dividers

Math:

- 1 composition notebook

Miscellaneous:

- 1 2-pocket folder for Homework (any design/color)
- 1 YELLOW 2-pocket folder
- 1 spiral notebook

Daily Supply Needs:

- 1 pencil pouch (we prefer that students do not use pencil boxes)
- 12 glue sticks
- 1 pack of 12-count pencils
- 2 yellow highlighters
- 1 pair of scissors
- 1 pack of eraser caps
- 2 boxes of Tissues

2020-2021

DISTANCE LEARNING SUPPLY LIST

We understand that distance learning will be very different from a regular school setting. We understand that you may not have a dedicated learning area in your home like we do in schools so we've identified a few supplies that will be required to help your child with distance learning. While most assignments will be given in a digital format, students will need to take some notes on a daily basis.

- (1) 5-subject wide ruled notebook *will be used for every subject
- (1) 12-pack of pencils *mechanical may be best since they do not need to be sharpened
- 1 box of colored pencils or crayons (12 count)
- earbuds
- 4-pack dry erase markers
